06 ACTIVITY TIMELINE

All times are local to the place of observation.

Date not recorded

TIME	LOCATION	ACTIVITY / OBSERVATION
7:42 AM	Subject residence driveway	Silver Toyota Camry (IL 7KJD221) parked in the driveway. Lights on inside the residence.
8:15 AM	Subject residence driveway	Subject exits the residence carrying a toolbox, places it in the trunk without apparent difficulty, and drives away.
9:05 AM	Store parking lot, Cermak Road	Subject observed at a home improvement store loading lumber into a cart and then into the vehicle.
6:58 PM	Subject residence driveway	Vehicle returns to the residence. Subject unloads two bags and enters the home.

07 NARRATIVE SUMMARY

Surveillance was conducted on October 14 and 15, 2026 at the subject’s residence on Linden Court, Berwyn. On October 14 the subject was observed leaving the residence carrying a toolbox, driving his silver Toyota Camry, and loading lumber at a home improvement store for approximately two and a half hours. No limitation of movement was observed. On October 15 the vehicle returned to the residence at 6:58 PM. Photographs BW-2026-0147.001 through .003 document the vehicle and the subject’s departures and return.
